

Examples of “WHAT COUNTS” towards the CSUSB President’s Volunteer Service Award

Counts	Does not count
Volunteering to prepare a meal at Ronald McDonald House. Time spent with residents making meal, prepping, grocery shopping, meal giving, and clean-up counts.	Time spent eating the meal does not count.
Volunteering with Church organization to feed the homeless counts.	Any time spent in religious service, instruction, or religious outreach does not count.
Participating in 5K as a volunteer to help out at the event. (e.g. Believe Walk, Amyotrophic Lateral Sclerosis Walk.)	Participating in a 5K that is not a fundraiser (for example “Mud Run”). (Unless you’re volunteering for that event.)
Time spent raising money for a cause (March of Dimes, etc.) may count towards volunteer hours accrued.	Donating money to a cause.
